

Chaplin Cleanup Day

April 15, 2017 (Saturday)

The Chaplin Conservation Commission is sponsoring our annual town cleanup day. We hope you will participate and encourage your friends and neighbors to participate in making Chaplin an even better place to live. For the most up-to-date information, please view our web site at

<http://chris.komuves.org/cleanup/>

Our goal is to have as many people as possible clean up a section of road or other public area in Chaplin. Here's how it works:

1. Go to the website and choose an area that you or your household / organization are willing to clean up.
2. Email a note to cleanup@chaplinct.org with the following:
 - ✓ Your Name(s)
 - ✓ The area you'll be cleaning up (if part of a road, give intersections or house numbers of ends)
 - ✓ How many people plan on attending the after-cleanup lunch.
3. On or before April 15, perform the cleanup. Plastic trash bags and gloves will be available at the Chaplin Town Hall. If you come across anything too large for you to manage, let us know, and we'll ask the town to deal with it. For the weekend of April 15, there will be a dump truck at the Town Hall parking lot, into which you can deposit trash from the cleanup (please do NOT bring personal trash).
4. After the cleanup, send any comments, reports, or photos that you want to share about what you found to cleanup@chaplinct.org. These will be published on the cleanup web page.

For questions or comments, contact Chris Komuves at cleanup@chaplinct.org or (860) 455-9839.

After Cleanup Lunch

1:00pm - 2:00pm Garrison Park

For everyone who participated in the cleanup, we will be gathering at Garrison Park for an after-cleanup lunch. Food and drink will be provided (probably pizza, sandwiches, soda and seltzer), and additional potluck contributions are welcome (but not required). Please let us know if you are planning on attending, so we'll know how much food to purchase.

If the weather is bad, we will hold the lunch inside the Chaplin Town Hall.
