

Chaplin Cleanup Day

April 15, 2023 (Saturday)

Our annual town cleanup day is here again. We hope you will participate and encourage your friends and neighbors to participate in making Chaplin an even better place to live. For the most up-to-date information, please view our web site at

<http://chris.komuves.org/cleanup/>

Our goal is to have as many people as possible clean up a section of road or other public area in Chaplin. Here's how to participate:

1. Go to the website and choose an area that you or your household / organization are willing to clean up.
2. Email a note to cleanup@komuves.org with the following:
 - ✓ Your Name(s)
 - ✓ The area you'll be cleaning up (if part of a road, give intersections or house numbers of ends)
 - ✓ (Limited Availability) You can also request to borrow a trash pickup tool or high visibility safety vest (include size of S, M, L, XL, XXL). If you do, please also provide your phone number. You can pick these up outside from my home on Bedlam Rd.
3. On or before April 16, perform the cleanup. Plastic trash bags and gloves will be available at the Chaplin Town Hall. If you come across anything too large for you to manage, let us know, and we'll ask the town to deal with it. For the weekend of April 16, there will be a dump truck at the Town Hall parking lot, into which you can deposit trash from the cleanup (please do NOT bring personal trash).
4. After the cleanup, send any comments, reports, or photos that you want to share about what you found to cleanup@komuves.org. These will be published on the cleanup web page.

For questions or comments, contact Chris Komuves at cleanup@komuves.org or (860) 455-9839.
